National Consumer Protection Week March 1–7, 2015

This year, National Consumer Protection Week (NCPW) runs from March 1–7, 2015. NCPW helps consumers by providing information, materials, and services to improve their ability to protect themselves from fraud.

We encourage Postmasters and facility managers to conduct local activities to support National Consumer Protection Week; however, we will not be shipping retail lobby kits to Post Offices™ this year. Those interested in holding local events may visit the NCPW website at <http://blue.usps.gov/blue/caweb/events/consumer-protection/> to view and print resources for consumer outreach activities.

Overview

NCPW is a federal program designed to heighten awareness of fraud and help consumers improve their ability to combat crime. During NCPW, federal, state, and local consumer protection agencies — together with consumer organizations and industry associations — launch consumer protection and education efforts around the country. This year, the Postal Service™ and the Postal Inspection Service® are partnering to educate consumers and caregivers about foreign lottery and sweepstakes schemes that target older Americans. The goals for NCPW are:

- Increase the awareness of older Americans and their caregivers about the dangers of foreign lottery and sweepstakes schemes.
- Give consumers valuable information about protecting their assets from fraudsters.
- Provide a central location where consumers can report suspected fraud. Anyone can be a victim of foreign lottery or sweepstakes fraud, but scammers often target those whom they perceive as vulnerable.

These crimes can seriously affect the lives of victims and their families. Increasingly, the victims are older Americans and cognitively challenged individuals. During NCPW, Postal Inspectors will discuss how citizens can avoid becoming the latest victims of fraud.

Foreign lottery and sweepstakes scammers talk a good game. They ask victims to pay to play — by wire, check, money order, or cash. They try to get consumers to send money that's just for "taxes and fees," or to purchase an item to improve their chances of winning. That's illegal.

The Postal Inspection Service is warning older Americans and caregivers to beware — in a foreign lottery or fraudulent sweepstakes, it's more than just the odds that are against you. If you're contacted to play a foreign lottery or sweepstakes, do the following:

- Don't give out personal or financial information to anyone over the Internet or phone.
- Never wire or send money to anyone, anywhere, who says you've won a foreign lottery or sweepstakes.
- Don't let anyone pressure you into making an immediate decision.
- Never purchase anything until you get all the information in writing.

Foreign lotteries and fraudulent sweepstakes aren't just risky propositions; they may also be illegal. An educated public is the first line of defense. Visit <http://deliveringtrust.com> for helpful information on how to protect yourself and your loved ones from fraud.

IMM Revision: International Merchandise Insurance Limits for Three Countries

The article titled “IMM Revision: Burma (Myanmar), Kiribati, and Sao Tome and Principe Establish Priority Mail Express International Service” in *Postal Bulletin* 22408 (2-5-15, pages 12-15) noted that each of those three countries will establish an Express Mail Service (EMS) operational exchange agreement with the Postal Service™ effective April 26, 2015.

In that same edition of *Postal Bulletin* 22408, the article titled “IMM Revision: Changes to Pricing and Mailing Standards for International Shipping Services” (pages 7-12) included a new Exhibit 322.2, “Priority Mail Express International and Priority Mail International Merchandise Insurance Limits,” which will be effective April 26, 2015.

However, the latter article inadvertently excluded from the new Exhibit 322.2 the Priority Mail Express International service merchandise insurance limits for the three countries that will establish such service effective April 26, 2015.

Consequently, in this article, we are revising Exhibit 322.2 to include the information for Burma, Kiribati, and Sao Tome and Principe.

Handbook AS-353 Revision: International Services

Effective February 19, 2015, the Postal Service™ is revising Handbook AS-353, *Guide to Privacy, the Freedom of Information Act*, and *Records Management*, to include modifications published in the *Federal Register* on May 1, 2014 (79 FR 24759–24762).

To support the enforcement of U.S. Customs, export control, and export statistics laws and support processes related to the international exchange of mail and mail operations, the Postal Service is amending system of records (SOR) 900.000 International Services, and is establishing a new SOR, 900.100 Customs Data Received from Foreign Posts:

- SOR 900.000 is being amended to allow collection of additional types of shipment-specific information that are supplied by customers; information from customers receiving items shipped to or from international locations; disclosure to export control, customs agencies, and postal operators; and to clarify that records may be retrieved by any information supplied by the customer on customs forms. Collectively, these changes are intended to enhance the Postal Service's role in facilitating the movement of cross-border mail, while ensuring that customs and export requirements, as well as governmental objectives for trade statistics reporting, are fulfilled. Technical corrections are also being made to the sections on legal authority and system managers.
- SOR 900.100 Customs Data Received from Foreign Posts will facilitate agreements with foreign postal operators that will permit parties to the agreements (i.e., postal operators) to exchange information on international shipments. SOR 900.100 will allow the

Postal Service to receive and maintain electronic information supplied by foreign posts on mailings sent from foreign jurisdictions to domestic recipients. To facilitate enforcement of domestic customs laws and regulations, the Postal Service intends to disclose such information to domestic customs officials, subject to the conditions of any agreement between the Postal Service and a foreign postal operator transmitting customs data to the Postal Service.

Handbook EL-312 Revision: Assignment, Reassignment, and Placement

Effective February 19, 2015, the Postal Service™ is revising Handbook EL-312, *Employment and Placement*, section 763.22 to update policy on local options for adding tests:

- The title of 763.22 is revised from *Local Options for Typing and Driving Requirements to Local Options for Basic Computer Skills and Driving Requirements*.
- A new heading, 763.221 General, was added to better organize the text of 763.22 moved under this new heading. This text was revised to allow local management to add Basic Computer Skills Test 718 when filling any vacant position if the officially published qualification standard does not specify it and the applicant is expected to use computer skills on a regular basis. Previously, the policy permitted the local addition of a typing requirement. Also, a sentence that states that local management may not modify or delete existing requirements in official qualification standards was moved from old 763.222 to new 763.221.
- Renumbered 763.221 as 763.222 and revised the title to Basic Computer Skills. Revised the text of new 763.222 to describe the statement to include on a job posting or vacancy announcement when basic computer skills are added. Text addressing computer based tests 714 and 713 are deleted.
- Renumbered 763.222 as 763.223 and revised the text with minor editorial changes for reader ease of use. The last sentence that states that local management may not modify or delete existing requirements in official qualification standards was moved to new 763.221.

Publication 52 Revision: Elimination of PS Form 1770, Revisions to SP9275, and Updates to Various Standards

Effective March 2, 2015, the Postal Service™ will revise Publication 52, *Hazardous, Restricted, and Perishable Mail*, in various locations to align with current agency practices on the following:

- PS Form 1770, *Mail Piece Spill or Leak Incident Report* is obsolete and no longer required to report mailpiece incidents. In November 2012, the Mail-piece Incident Report Tool (MIRT) was launched and replaces the manual data collection and storage of PS Form 1770. MIRT is an electronic means to record and track data on spills, leaks, nonmailable items, and air carrier returns. MIRT can be found on the Blue Page>My Work>Safety Resource Tools>Safety Tool-kit>Create Safety Records>Mailpiece Incident Report Tool.
- SP 9275: In April 2014, the Department of Transportation (DOT), Pipeline and Hazardous Materials Safety Administration (PHMSA) removed the requirement to obtain a Special Permit 9275 (DOT-SP 9275) when shipping products containing ethyl alcohol. The Postal Service eliminates the requirement for mailers to produce a copy of their DOT authorization before obtaining an USPS® exception, but retains the requirement that, in addition to mailers adhering to all DOT standards when mailing materials containing ethyl alcohol, requests for authorization be directed to the manager, Product Classification for an exception number.

The Postal Service will also revise Packaging Instructions 3A and 3B to permit multiple primary receptacles in mailpieces containing mailable flammable or combustible liquids, provided the aggregate quantity of flammable material per mailpiece does not exceed the current volume limitations applicable to the material shipped and container used.

Various additional revisions are made as part of an ongoing effort of consolidating information from *Mailing Standards of the United States Postal Service*, Domestic Mail Manual (DMM®), as identified in *Postal Bulletin 22389* (5-15-14).

Invalid USPS Corporate Account Numbers

This listing should be provided to Contract Postal Units and used by acceptance clerks in non-POS locations without intranet access to validate a USPS Corporate Account (USPSCA) number online. For all other locations, online USPSCA validation is preferred. The online validation process is outlined in the USPSCA Validation SOP on the Retail webpage. This list supersedes all previous notices,

which must be recycled. Acceptance clerks must not accept Priority Mail Express™ shipments bearing an invalid USPSCA number in the “Payment by Account” or “Agreement Number” section of the label or form.

Note: The first 6 digits of a 9-digit Custom Designed Service and Next Day Pickup Agreement make up the Corporate Account Number.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: \$1,000 for domestic, and \$700 for international postal money orders.
2. Check that the proper security features are present:
 - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
 - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
 - There should be no discoloration around the dollar amounts, which might indicate the amounts were changes.

These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card*, or online at <https://www.usps.com/shop/money-orders.htm>.

3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Please provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table below outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the [Restrictions](#) page following the table).

Acceptance clerks should use the table with the POS ONE terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Inquiries may be sent to the Military Postal Service Agency at <https://amps.mpsa.mil/jy2/frm.htm>.

The entries under “Changes” appear in bold in the APO/FPO/DPO table starting below.

Missing Children Poster Display Instructions

Post Offices, classified stations, branches, and contract postal units may display this poster at their option. If the poster is displayed, it should be placed on the community bulletin board located in the Post Office™ box lobby and not in the main retail (full service) lobby. Alternatively, Missing Children posters can be maintained in a binder behind the counter to be used as a reference guide. The posters also may be posted in a prominent location where letter carriers will be able to see them before or after they go out on their routes. Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

Making this information available to letter carriers is consistent with the NALC/USPS Child Alert Program to facilitate identification of missing children.

Companion posters, authorized for display on bulletin boards maintained by employee organizations, appear periodically in *The Postal Record*, a publication for members of the National Association of Letter Carriers.

This poster is published in cooperation with the National Center for Missing and Exploited Children, the United States Department of Justice, and the National Association of Letter Carriers. Information appearing on this poster is selected solely by the National Center for Missing and Exploited Children (NCMEC).

In addition to *Postal Bulletin* updates, NCMEC distributes information periodically. Notification of newly reported missing children is sent to designated district “Missing Children” coordinators via e-mail addresses provided by district managers. Within 24 hours of receipt of an e-mailed Missing Children poster, district coordinators should distribute copies to all Postal Service™ facilities in their districts. Missing Children posters are to be displayed as noted above for 30 days unless notification is received (from NCMEC) to remove a particular poster sooner. The e-mail network is used to distribute posters and information in only the most urgent cases of missing children. This system supplements, but does not replace, the missing children information in this *Postal Bulletin*.

Missing Children posters are available to the U.S. Postal Service® only as described above. If Postal Service employees are contacted by individuals or local agencies about displaying a sign or poster of a missing child in local Post Offices, the individual or agency should be politely informed that the U.S. Postal Service displays only those posters provided by NCMEC, because it has been designated by the U.S. Department of Justice to be the national clearinghouse and resource center for missing and exploited children. The individual or agency should then be referred to NCMEC at 800-843-5678.

If you have any information, or for free prevention tips, please call 800-THE-LOST (800-843-5678).

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears below. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include

postage issued after the date of the requested postmark. Such items will be returned unserved.

Customers wishing to obtain a postmark should affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed below.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16" side seams with no glue on the flap. The maximum

size of all digital color postmarks is 2" high x 4" long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers should submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers should affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Mail the request for a first-day-of-issue digital color postmark to the corresponding city of issuance. Post Offices will then forward all customer requests for digital color postmarks to Cancellation Services, Stamp Fulfillment Services, PO Box 449992, Kansas City, MO 64144-9992.

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail.

Stamp Announcement 15-12: Martin Ramirez Stamps

© 2014 USPS

On March 26, 2015, in New York, NY, the U.S. Postal Service® will issue the Martin Ramirez First-Class Mail® stamps (Forever® priced at 49 cents), in five designs, in a pressure-sensitive adhesive (PSA) pane of 20 stamps (Item 472700).

The stamps will go on sale nationwide March 26, 2015.

Five new commemorative stamps honor Martín Ramírez (1895–1963), who, while virtually unknown in his lifetime, is recognized today as one of the great artists of the 20th century. Each stamp features details from one of five of Ramírez's more than 450 drawings and collages. Although confined to psychiatric hospitals for more than 30 years, Ramírez transcended his own situation to create a remarkably visualized world free from the constraints of borders or

time itself. The back of the stamp pane includes verso text. Art director Antonio Alcalá designed the stamp pane.
