Cover Story

Focus on Actions that Engage Employees

The United States Postal Service® continues to make employee engagement a top priority because of its commitment to employees. As Postmaster General and Chief Executive Officer Megan Brennan states, "Only through taking care of our employees can we truly take care of our customers, and ultimately, grow our business."

Why is it necessary to focus on actions that engage employees? Engaged employees are more likely to come to work, more likely to engage with customers, and less likely to have accidents.

Managers and supervisors play a vital role in the engagement levels of their teams. They can increase engagement levels by focusing on the 12 elements of engagement (see *blue.usps.gov/hr/emp-engagement/pdf/brief-engagement-guide.pdf*).

The most basic employee need is knowing what is expected at work and having the tools and equipment to do the job right. Additionally, listening to employee opinions and providing recognition and growth opportunities is essential for employee engagement.

Focusing on actions that engage employees creates a thriving and effective workforce, which ultimately improves the customer experience, and drives increased revenue and performance for our organization.

For more information about employee engagement, contact the Engagement team by sending an email to *Engagement@usps.gov* or by calling 844-303-6424.

IMM Revision: IPA and ISAL Service to Monaco

Effective April 25, 2019, the Postal Service™ is revising *Mailing Standards of the United States Postal Service,* International Mail Manual (IMM®) to reflect changes to Exhibit 292.45a and Exhibit 293.45a based on a revision to the foreign office of exchange code for Monaco.

Periodically, the Postal Service receives such requests from foreign posts to facilitate operational needs. Monaco's postal administration formally requested, through the Universal Postal Union via *International Bureau Circular* 158, dated November 5, 2018, an update to the foreign office of exchange code for closed dispatches, which affects International Priority Airmail® (IPA®) service and International Surface Air Lift® (ISAL®) service items sent to Monaco. Monaco formerly received closed dispatches directly, using its own foreign office of exchange code, but now mailers must send mail to Monaco in dispatches through France's office of exchange.

In order to provide mailers the time needed to make necessary logistical and software changes, the Postal Service is providing 90 days' advance notice before the effective date of the change, July 23, 2019. Nonetheless, in order to expedite delivery, the Postal Service encourages mailers to implement these revisions before the effective date.

National Small Business Week Overview

Every year since 1963, the President of the United States has issued a proclamation announcing National Small Business Week, which encourages Americans to support the spirit and success of small business owners. This year, National Small Business Week runs from May 5 to May 11.

The United States Postal Service® recognizes the importance of supporting small businesses, the jobs they create, and the quality of life that they provide in every ZIP Code™ across the nation. In honor of National Small Business Week, Postal Service™ employees will host Grow Your Business Day (GYBD) events in as many lobbies and ZIP Codes as possible. These free, community-based events are intended to educate small business owners and entrepreneurs about Postal Service resources that can help them grow their business.

The Postal Service offers a variety of products and services to help support the unique needs of small businesses. During National Small Business Week 2019, our goal is to increase awareness of the tools offered to small business owners at their local Post Office™ and at *usps.com*.

Ultimately, their business is our business.

Grow Your Business Events "How To" for Postmasters

GYBD events are designed to educate and grow small businesses in the communities we serve. Postmasters and managers are encouraged to host events for small businesses, which in turn, can boost USPS revenue.

Events provide the opportunity for Postmasters to meet current and potential customers and position USPS as a business resource. By hosting an event, you'll have the opportunity to:

- Increase USPS visibility with small businesses.
- Demonstrate the value of USPS products and services.
- Build relationships with local small business owners.

GYBD events are a great way to promote EDDM and Priority Mail services, which can be particularly valuable to small businesses. Use the following checklists to plan your GYBD event:

Pre-event

- Reserve a location that can comfortably accommodate a group event, such as your Post Office lobby or your local Chamber of Commerce.
- Ask letter carriers and retail associates to personally invite potential customers they know.
- Promote the event in your Post Office lobby. Contact the strategic communications specialist for your Area to help reach out to local media.

- Identify and assign day-of-event responsibilities. Make sure that onsite responsibilities have been handled, such as testing equipment ahead of time and printing name badges.
- Order GYBD EDDM event kits at *sfr.usps.gov/login.do* (use SKU# 17GYBDEDDMKIT101). These kits are great resources for customers.

Day of the Event

- Arrive early to make sure everything is set up properly.
- Keep extra name tags on-hand for last-minute guests.
- Test your audio and video equipment to make sure it works properly.
- Have printed copies of your presentation (with notes) available.
- Provide easy access to feedback forms and customer leave-behind materials.
- Identify the drop-off point for collecting feedback forms.
- Greet customers as they arrive and have a successful event!

Post Event

- Make follow-up calls to each of the business representatives that attended your event. Contact participants within 7–14 days while the event is fresh in their memory.
- Schedule one-on-one meetings to learn more about customer business needs. Share the various ways USPS products and services can help them meet those needs and grow their business.
- Document your Business Connect® quality activities. Be sure to document what you learned about the customer's needs or concerns, so you can turn it into a solution that results in a positive outcome for the customer and a potential transaction for USPS.

Collateral

All local Post Offices are encouraged to host a GYBD event during National Small Business Week (May 5–11, 2019) to maximize USPS revenue potential. Do Not Cash — Upon Receipt, Notify Local Postal Inspectors

Provide this listing to all Postal Service™ employees responsible for accepting and cashing postal money orders. Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word "USPS" repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply. Send inquiries to the Military Postal Service Agency at *amps.usps.gov/jy2/frm.htm*.

We have eliminated "Not Active" entries from the table below to save space and paper.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

Stamp Announcement 19-18: Ellsworth Kelly Stamps

©2019 USPS

On May 31, 2019, in Spencertown, NY, the United States Postal Service® will issue the *Ellsworth Kelly* stamps (Forever® priced at the First-Class Mail® rate) in 10 designs, in a pressure-sensitive adhesive pane of 20 stamps (Item 478600). The stamps will go on sale nationwide May 31, 2019, and must not be sold or canceled before the first-day-of-issue. **The *Ellsworth Kelly* pane of 20 stamps may not be split and the stamps may not be sold individually.**

This stamp issue honors artist Ellsworth Kelly (1923–2015). Kelly pioneered a distinctive style of abstraction based on real elements reduced to their essential forms. His artworks include paintings, sculpture, and works on paper. The 20 stamps on the pane feature 10 pieces, each represented twice:

- *Yellow White* (1961),
- *Colors for a Large Wall* (1951),
- *Blue Red Rocker* (1963),
- *Spectrum I* (1953),
- *South Ferry* (1956),
- *Blue Green* (1962),
- *Orange Red Relief (for Delphine Seyrig)* (1990),
- *Meschers* (1951),
- *Red Blue* (1964), and
- *Gaza* (1956).

A detail from *Blue Yellow Red III* (1971) appears in the selvage. Derry Noyes served as art director and designer for this issuance.

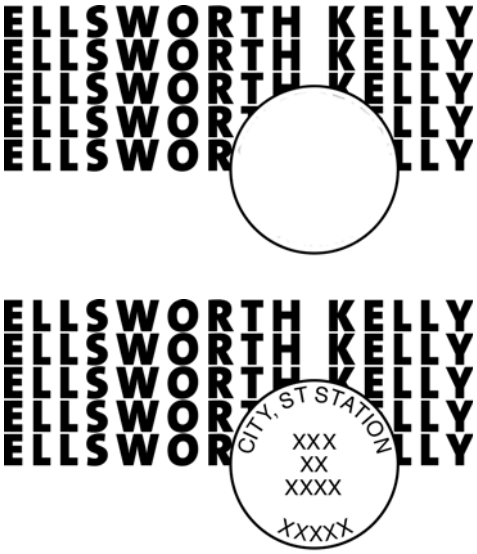
Availability to Post Offices: Item 478600, Ellsworth Kelly (Forever Priced at the First-Class Mail Rate) Commemorative Pane of 20 Stamps

Distribution quantities for the automatic push distribution are available by logging on to SFS Web at *sfsweb.usps.gov*. Post Offices may begin ordering stamps on the first-day-of-issue through SFS Web; offices must also check the amount they will receive in their automatic push distribution.

Special Dedication Postmarks

Only the following pictorial postmark is permitted for *Ellsworth Kelly* stamps. The word "Station" or the abbreviation "STA" is required somewhere in the design, because it will be a temporary station. **Use of any image other than the following special pictorial image is prohibited.**

Guidelines for Finalizing Ellsworth Kelly Stamps Pictorial Postmark Art



To finalize the *Ellsworth Kelly* stamps pictorial postmark art, insert the date, city, state, and ZIP Code™ of the physical location of your event adjacent to the stamp image. Overall dimensions of the pictorial postmark must not exceed 4 inches (horizontally) by 2 inches (vertically). Collectors prefer the dimensions 3-1/2 inches by 1.

The Postal Service™ must make all special postmarks known to collectors through advance publicity in the *Postal Bulletin*. Therefore, all special dedication cancellations must be reported to Stamp Services 4 weeks before the event using PS Form 413, *Pictorial Postmark Announcement/Report.* To get a copy of the form, go to *blue.usps.gov/formmgmt/forms/ps413.pdf*.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may obtain the postmark in person at the temporary Post Office™ station established there. Those who cannot attend the event but who wish to obtain the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days following the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers wishing to obtain a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office™, by phone at 800-782-6724, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches high by 4 inches long. Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a minimum of 10 envelopes at 50 cents per postmark required at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.
