Keep Your Mobile Devices Safe While Traveling

The Postal Service™ wants employees and contractors to protect their USPS-issued mobile devices against hackers when they travel. Mobile devices such as your USPS® smart phone, laptop, or tablet offer flexibility, improve communications and collaboration, and help increase productivity in the workplace. However, taking the devices when on travel poses several risks.

According to the American Automobile Association (AAA), 115.2 million people traveled during the 2023 holiday season, and workplace mobile devices were among the items packed in those vacation bags.

If you decide to take your USPS mobile devices home for the holidays, remember to follow cybersafe best practices. It is your responsibility to always keep USPS devices safe, to avoid data loss and damage the reputation of stakeholders and the Postal Service brand.

To keep your mobile devices secure while you travel, follow these CyberSafe at USPS® tips:

- Bring only essential mobile devices so it's easier to keep track of their location.
- Keep your device locked using a PIN, password, fingerprint, or face ID.
- Back up all your devices so you can recover your data if needed.
- Use your smartphone's personal hotspot feature or a Virtual Private Network (VPN) for a trusted and secure Wi-Fi connection at airports, hotels, or cafes.

For more information on mobile device security, go to the *Monthly Campaign Page* on *Blue* at *blue.usps.gov/cyber/communications.htm#accordion1s4*.

Verifying U.S. Postal Service Money Orders

Follow these steps to cash a Postal Service™ money order:

1. Check that the amount does not exceed the legal limit: $1,000 for domestic, and $700 for international Postal Service money orders.
2. Check that the proper security features are present:
   - When held to the light, a watermark of Benjamin Franklin is repeated from top to bottom on the left side.
   - When held to the light, a dark line (security thread) runs from top to bottom with the word “USPS” repeated.
   - When there is discoloration around the dollar amounts, this might indicate the amounts were changed.

   These appear in Postal Service Notice 299, *U.S. Postal Money Order Reference Card,* or online at *usps.com/shop/money-orders.htm*.
3. If the money order seems suspicious, call the U.S. Postal Service Money Order Verification System at 866-459-7822.

Provide this information to local banks and retailers, as they also receive Postal Service money orders for cashing.

Other Information

Overseas Military/Diplomatic Mail

Mail addressed to military and diplomatic post offices overseas is subject to certain conditions or restrictions of mailing regarding content, preparation, and handling. The APO/FPO/DPO table outlines these conditions by APO/FPO/DPO ZIP Codes™ through the use of footnoted mailing restrictions codes (see the Restrictions page following the table).

Acceptance clerks must use the table with the Retail System Software terminal to determine which APO/FPO/DPO ZIP Codes are active and which conditions of mailing apply.

We have eliminated "Not Active" entries from the table below to save space and paper.

The G Fund is managed internally by the Federal Retirement Thrift Investment Board. Assets of the F, C, S, and I Funds are managed externally. The Board currently has contracts with BlackRock Institutional Trust Company, N.A., to manage the F, C, S, and I Fund assets. The F, C, S, and I Funds invest in commingled trust funds, in which the assets of tax-deferred employee benefit plans are combined and invested together. The F, C, S, and I Funds and the BlackRock funds are passively managed index funds.

Future performance of the funds will vary and may be significantly different from the returns shown above. See the *Summary of the Thrift Savings Plan* for detailed information about the funds and their investment risks. The monthly returns of the TSP Funds represent net earnings for the month after deduction of accrued administrative expenses and, except for the G Fund, after deduction of trading costs and accrued investment management fees as well. The returns for the four indexes shown do not include any of these deductions.

* Implemented May 2001.

Environmental Management

Waste Management: Damaged, Leaking, and Nonmailable Parcels

Damaged or leaking parcels and parcels containing nonmailable hazardous materials, as defined in Publication 52, *Hazardous, Restricted, and Perishable Mail,* are not permitted in the mailstream. Hazardous items that are removed from the mailstream and disposed of locally could be regulated by environmental laws and require proper waste management. Failure to properly dispose of regulated items could result in a regulatory agency notice of violation.

Potentially regulated hazardous materials include, but are not limited to:

- Aerosol cans.
- Batteries.
- Cleaning supplies and other chemicals, including bleach, hand sanitizer, and nail polish remover.
- Compressed gases.
- Devices containing mercury (***Note:*** Devices containing metallic mercury, such as antique thermometers, barometers, and blood pressure monitors are prohibited in the mailstream).
- Drugs and pharmaceuticals.
- Fertilizers and fuels, including lighter fluid.
- Fluorescent lamps.
- Matches and lighters.
- Oils, paints, perfumes, and pesticides.
- Solvents and thinners.

Use the following guidance when handling potentially hazardous damaged, leaking, or nonmailable parcels:

- Postal Service™ employees trained in *incidental releases* must only clean up substances known to be mailable and not expected to exceed Occupational Safety and Health Act permissible exposure limits or pose any other hazard (such as flame, explosion, or radioactivity).
- For *emergency releases* of nonmailable hazardous substances, Postal Service employees must not move, transport, handle, or clean up these materials. These items must be immediately isolated at the identified location and the supervisor, manager, or Installation Head must be notified by a Postal Service employee. If the Installation Head or the United States Postal Inspection Service® determines that more assessment or remediation efforts are needed, contact an approved USPS® National Emergency Preparedness, Response, and Recovery Services contractor.
- If the substance is identified as an *incidental release,* trained members of the facility's Spill and Leak team must bring damaged or leaking parcels to a designated re-wrap or hazardous material mail staging area for assessment.
- Report the incident in the Mail Incident Reporting Tool.
- Once the parcel is considered abandoned or dead mail, follow proper disposal procedures. Never forward abandoned or dead mail hazardous materials to the Mail Recovery Center.
- If parcels contain items determined to be waste, inventory and document the classification and quantity of each item. Common waste classifications are non-hazardous, hazardous, universal, state-regulated, and medical or infectious waste.
- Store hazardous materials and other regulated wastes in a container that is structurally sound, liquid-tight, closed, and clearly labeled. Do not mix incompatible materials.
- Using eBuyPlus, arrange for pick-up and disposal of hazardous and regulated waste parcels using the appropriate USPS National Waste Management Service contractor.
- Maintain waste classification and off-site shipment and disposal records.

For more information about the waste characterization process and proper waste disposal, review the *Damaged, Leaking, and Nonmailable Parcels Waste Management Environmental Compliance Bulletin* at *blue.usps.gov/sustainability/environmental/_pdf/ecb-mail-derived-waste.pdf*.

For state-specific waste disposal requirements or questions, consult your designated USPS Environmental Specialist at *blue.usps.gov/sustainability/regional-environmental-compliance-all.htm*.

Mental Health During the Holidays

As we approach the holiday season, it is important to remember that it is very common to feel added stress.

This stress can worsen symptoms of mental health conditions, like depression or anxiety.

There are ways to help address the stress or condition and improve your mental health.

Below are strategies to help you find moments of joy amidst the hustle and bustle this holiday season:

- **Pay attention to your feelings.**

  It is okay to feel unhappy during the holidays. Recognizing your feelings is the first step to addressing and nurturing them.

- **Develop a plan for when you are feeling stressed, sad, or lonely.**

  Call a friend or family member, go for a walk, engage in an activity that brings joy, or watch a favorite movie. Plan activities ahead of time to ensure difficult moments are more manageable.

- **Practice self-care.**

  Schedule time for yourself and find activities that recharge your mind and body. This may include reading a good book, spending time in nature, and practicing stress management skills, such as deep breathing, meditation, and mindfulness. Prioritize necessities, including eating a balanced diet, getting plenty of sleep, and finding time for exercise.

Pictorial Postmarks Announcement

As a community service, the Postal Service™ offers pictorial postmarks to commemorate local events celebrated in communities throughout the nation. A list of events for which pictorial postmarks are authorized appears on the following pages. The sponsor of the pictorial postmark appears in italics under the date. Also provided are illustrations of these postmarks.

People attending these local events may get the postmark in person at the temporary Post Office® station established there. Those who cannot attend the event but who wish to get the postmark may submit a mail order request. Pictorial postmarks are available only for the dates indicated, and *requests must be postmarked no later than 30 days after the requested pictorial postmark date.*

All requests must include a stamped envelope or postcard bearing at least the minimum First-Class Mail® postage. Items submitted for postmark may not include postage issued after the date of the requested postmark. Such items will be returned unserviced.

Customers who want a postmark must affix stamps to any envelope or postcard of their choice, address the envelope or postcard to themselves or others, insert a card of postcard thickness in envelopes for sturdiness, and tuck in the flap. Place the envelope or postcard in a larger envelope and address it to: Pictorial Postmarks, followed by the Name of the Station, Address, City, State, ZIP+4® Code, as listed next to the postmark.

Customers can also send stamped envelopes and postcards without addresses for postmark, as long as they supply a larger envelope with adequate postage and their return address. After applying the pictorial postmark, the Postal Service returns the items (with or without addresses) under addressed protective cover.

How to Order the First-Day-of-Issue Digital Color or Traditional Postmarks

Customers have 120 days to obtain the first-day-of-issue postmarks by mail. Each cover must have sufficient postage to meet First-Class Mail® requirements. Customers may purchase new stamps at their local Post Office®, by phone at 844-737-7826, or on The Postal Store® website at *usps.com/shop*.

Digital Color Postmarks

Only select stamp issues offer a digital color postmark. Customers may submit #6 or #10 envelopes constructed of paper rated as "laser safe." The Postal Service™ recommends envelopes of 80-pound Accent Opaque, acid-free, 9/16-inch side seams with no glue on the flap. The maximum size of all digital color postmarks is 2 inches (vertically) by 4 inches (horizontally). Allow sufficient space on the envelope to accommodate the postmark. Do not use self-adhesive labels for addresses on the envelope. Two test envelopes must be included. There is a 50-cent charge per postmark at the time of servicing. Customers must submit a check, money order, or credit card for payment.

The Postal Service reserves the right to not accept hand-painted and other cachet envelopes that are not compatible with our digital color postmark equipment. The Postal Service also reserves the right to substitute traditional black rubber postmarks if use of nonspecified envelopes results in poor image quality or damage to equipment.

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for digital color postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail®.

Traditional Postmarks

Customers must affix the stamps to the envelopes and address them to themselves or others for return through the mail. Or, they may include an additional self-addressed return envelope, large enough to accommodate their canceled items, with sufficient postage affixed for return of their postmarked items. Address customer requests for traditional postmarks to:

FDOI – (Name of Stamp Issue)
USPS Stamp Fulfillment Services
8300 NE Underground Drive, Suite 300
Kansas City, MO 64144-9900

After applying the first-day-of-issue postmark, the Postal Service will return the envelopes to the customer by U.S. Mail. There is no charge for the first 50 postmarks. There is a 5-cent charge for each additional postmark over 50. Customers must submit a check, money order, or credit card for payment.

Locally produced items are not authorized. Only merchandise that has been approved and assigned an item number by Headquarters Retail Marketing may be produced and sold.
