

Local Grievance # _____

Issue Statement (Block 15 of PS Form 8190):

Did management violate Article 41, Section 2, Section B.4. of the National Agreement by not allowing Part-Time Flexible (PTF) **[name]** to opt on route **[route #]** for **[date(s)]** in the **[Installation name]** Installation, and if so, what should the remedy be?

Union Facts and Contentions (Block 17 of PS Form 8190)

Facts:

1. PTF **[name]** placed a bid for an opt/hold-down on Route **[route #]** on **[date]**.
2. Route **[route #]** is a full-time duty assignment of anticipated duration of five days or more in the delivery unit where PTF **[name]** is assigned.
3. **[Name]** was the PTF with most seniority to opt on route **[route #]**.
4. Management denied an opt/hold-down request on route **[route #]** from PTF **[name]**.

Contentions:

1. Management violated Article 41, Section 2.B.4. of the National Agreement when they denied an opt/hold down request on Route **[route #]** on **[date(s)]**.
2. PTF **[name]** was converted to part-time flexible career status after successfully serving a 360-day appointment as a CCA. This is shown by the PS Form 50 included in the case file showing the dates PTF **[name]** served as a CCA and the date he/she was converted to PTF.
3. PTF **[name]** has the right under Article 41, Section 2.B.4 to exercise his/her preference for an opt/hold-down on route **[route #]** in the delivery unit he/she is assigned which was vacated for an anticipated duration of five days or more.
4. The union contends route **[route #]** was not selected by any eligible career employee as an opt/hold down.
5. Article 41, Section 2.B.4 of the National Agreement reads in pertinent part:

...Part-time flexible letter carriers may exercise their preference by use of their seniority for vacation scheduling and for available full-time craft duty

assignments of anticipated duration of five (5) days or more in the delivery unit to which they are assigned.

Remedy (Block 19 of PS Form 8190):

1. That management cease and desist violations of Article 41, Section 2.B.4 of the National Agreement at the **[Installation name]** Installation.
2. That PTF **[name]** be paid a lump sum equal to the difference between the number of hours he/she actually worked and the number of hours he/she would have worked had the opt/hold-down been properly awarded. This payment is to also include any out of schedule premium pay that results from the change in work schedules.
3. That PTF **[Name]** be paid a lump sum of \$100.00 to serve as an incentive for future compliance.
4. That all payments associated with this case be made as soon as administratively possible, but no later than 30 days from the date of settlement.
5. That proof of payment be provided to **[NALC Official]** upon payment, and/or any other remedy the Step B team or an arbitrator deems appropriate.

Add the following issue statement, facts, contentions, and remedy request if we can prove the violation is repetitive:

Issue Statement:

Did management violate Article 15, Section 3.A of the National Agreement along with policy letter M-01517 by failing to comply with the prior Step B decisions or local grievance settlements in the case file, and if so, what should the remedy be?

Facts:

1. Article 15, Section 3.A of the National Agreement states in relevant part:

The parties expect that good faith observance, by their respective representatives, of the principles and procedures set forth above will result in resolution of substantially all grievances initiated hereunder at the lowest possible step and recognize their obligation to achieve that end.

2. M-01517 states in part:

Compliance with arbitration awards and grievance settlements is not optional. No manager or supervisor has the authority to ignore or override an arbitrator's award or a signed grievance settlement. Steps to comply with arbitration awards and grievance settlements should be taken in a timely manner to avoid the perception of non-compliance, and those steps should be documented.

3. Under the heading *Remedies and Opting*, Article 41 of the JCAM states in relevant part:

In circumstances where the violation is egregious or deliberate or after local management has received previous instructional resolutions on the same issue and it appears that a "cease and desist" remedy is not sufficient to insure future contract compliance, the parties may wish to consider a further, appropriate compensatory remedy to the injured party to emphasize the commitment of the parties to contract compliance.

4. Included in the case file are **[Arbitration Awards/Step B decisions/local grievance settlements, etc.]** in which management was instructed/agreed to cease and desist violating Article 41 of the National Agreement by not allowing Letter Carriers to opt on routes that are vacant for at least five days.

Contentions:

1. Management violated Article 15, Section 3.A of the National Agreement and M-01517 by failing to abide by the previous Step B decisions/local grievance settlements in the case file. When management violates contractual provisions despite being instructed/agreeing to cease and desist these violations, they have failed to bargain in good faith.
2. The Union contends that Management has had prior cease and desist directives to stop violating Article 41 Agreement by not allowing Letter Carriers to opt on routes that are vacant for five or more days. The Union also contends that Management's actions are continuous, egregious and deliberate. The Union has included past grievance decisions/settlements in the case file to support this point.

Remedy:

1. That management cease and desist violating Article 15 of the National Agreement.
2. That Letter Carrier(s) [Name], [Name], and [Name] each be paid a lump sum of \$100.00 to serve as an incentive for future compliance.
