

Local Grievance # _____

Issue Statement (Block 15 on PS Form 8190):

Did Management at the [Station/Post Office] violate Article 7, Section 2 of the National Agreement by using a [clerk, custodian, mail handler, other craft] to perform city letter carrier duties on [date], and if so, what should the remedy be?

Union Facts and Contentions (Block 17 on PS Form 8190):

Facts:

1. Management instructed [name] to perform city letter carrier [casing, delivering, collecting, other duties] work on city route(s) [route #(s)] at the [Station/Post Office] on [date].
2. [Name] is a [clerk, custodian, mail handler, other craft] at the [Station/Post Office].
3. The TACS Employee Everything Report for [date] shows [name] clocked onto city carrier operation # [number] at [time].
4. The Employee Everything Reports for the following letter carriers show that city carriers were available to perform the city carrier work performed by a different craft on [date]:

Letter Carrier _____
Letter Carrier _____
Letter Carrier _____

5. Article 7, Sections 2.B and 2.C of the National Agreement state:

B. In the event of insufficient work on any particular day or days in a full-time or part-time employee's own scheduled assignment, management may assign the employee to any available work in the same wage level for which the employee is qualified, consistent with the employee's knowledge and experience, in order to maintain the number of work hours of the employee's basic work schedule.

C. During exceptionally heavy workload periods for one occupational group, employees in an occupational group experiencing a light workload period may be assigned to work in the same wage level, commensurate with their capabilities, to the heavy workload area for such time as management determines necessary.

6. The Joint Contract Administration Manual (JCAM) explains:

A national level arbitration award has established that management may not assign employees across crafts except in the restrictive circumstances defined in the National Agreement. See A8-W-0656 (C-04560), a 1982 national-level award of Arbitrator Richard Bloch. (This decision is controlling although it is an APWU arbitration case; it was decided under the joint NALC/APWU-USPS 1981 National Agreement and the language of Article 7.2.B & C has not changed since then.) Arbitrator Bloch interpreted Article 7.2.B & C as follows (pages 6-7):

Taken together, these provisions support the inference that Management's right to cross craft lines is substantially limited. The exceptions to the requirement of observing the boundaries arise in situations that are not only unusual but also reasonably unforeseeable.

There is no reason to find that the parties intended to give Management discretion to schedule across craft lines merely to maximize efficient personnel usage; this is not what the parties have bargained. That an assignment across craft lines might enable Management to avoid overtime in another group for example, is not, by itself, a contractually sound reason. It must be shown either that there was "insufficient work" for the classification or, alternatively, that work was "exceptionally heavy" in one occupational group and light, as well, in another.

7. The JCAM explains further:

Remedy For Violations. As a general proposition, in those circumstances in which a clear contractual violation is evidenced by the fact circumstances involving the crossing of crafts pursuant to Article 7.2.B & C, a "make whole" remedy involving the payment at the appropriate rate for the work missed to the available, qualified employee who had a contractual right to the work would be appropriate. For example, after determining that management had violated Article 7.2.B, Arbitrator Bloch in case H8S-5F-C-8027/A8-W-0656 (C-04560) ruled that an available Special Delivery Messenger on the Overtime Desired List should be made whole for missed overtime for special delivery functions performed by a PTF letter carrier.

Contentions:

1. Management at the **[Station/Post Office]** violated Article 7, Section 2 of the National Agreement when they used a **[clerk, custodian, mail handler, other craft]** to perform city letter carrier duties on **[date]**.

2. Management failed to work all available city letter carriers before making the decision to work employees across craft lines on **[date]**.

Remedy (Block 19 on PS Form 8190):

1. That management cease and desist violating Article 7, Section 2 of the National Agreement in the **[Station/Post Office]** in the future.
2. That management make a lump sum payment equivalent to the number of hours worked across craft lines on the day(s) in question at the overtime rate of pay and divide it amongst the available Letter Carriers as directed by the union.
3. That all payments associated with this case be made as soon as administratively possible, but no later than 30 days from the date of settlement.
4. That proof of payment be provided to **[NALC Official]** upon payment, and/or any other remedy the Step B team or an arbitrator deems appropriate.

Add the following issue statement, facts, contentions, and remedy request if we can prove the violation is repetitive:

Issue Statement:

Did management violate Article 15, Section 3.A of the National Agreement along with policy letter M-01517 by failing to comply with the prior Step B decisions or local grievance settlements in the case file, and if so, what should the remedy be?

Facts:

1. Article 15, Section 3.A of the National Agreement states in relevant part:

The parties expect that good faith observance, by their respective representatives, of the principles and procedures set forth above will result in resolution of substantially all grievances initiated hereunder at the lowest possible step and recognize their obligation to achieve that end.

2. M-01517 states in part:

Compliance with arbitration awards and grievance settlements is not optional. No manager or supervisor has the authority to ignore or override an arbitrator's award or a signed grievance settlement. Steps to comply with arbitration awards and grievance settlements should be taken in a timely manner to avoid the perception of non-compliance, and those steps should be documented.

3. Included in the case file are **[Arbitration Awards/Step B decisions/local grievance settlements, etc.]** in which management was instructed/agreed to cease and desist violating Article 7 of the National Agreement.

Contentions:

1. Management violated Article 15, Section 3.A of the National Agreement and M-01517 by failing to abide by the previous Step B decisions/local grievance settlements in the case file. When management violates contractual provisions despite being instructed/agreeing to cease and desist these violations, they have failed to bargain in good faith.
2. The Union contends that Management has had prior cease and desist directives to stop violating Article 7. The Union also contends that Management's actions are continuous, egregious and deliberate. The Union has included past decisions/settlements in the case file to support their claim.

Remedy:

1. That management cease and desist violating Article 15 of the National Agreement.
2. That Letter Carrier(s) [Name], [Name], and [Name] each be paid a lump sum of \$100.00 to serve as an incentive for future compliance.
